**Focus Question:** *To what extent is Thomas Jefferson's view on the role of democracy in the world similar to that of Woodrow Wilson?*

Answer each of the questions below in approximately a paragraph each.

1. Considering American government, explain the quotes about “a ball of liberty” and “the world made safe for democracy.” What do they mean?
2. What do these two quotes tell you about what Jefferson and Wilson each believed about our government? To what extent are they similar?
3. What is the relationship between these two quotes?
